

1. Product list

The screenshot shows a web browser window with the URL `localhost:8080/products`. The title bar of the browser says "Product Management System". The main content area has a header with a box icon and the text "Product Management System". Below the header are two buttons: "Add New Product" and "Search products...". To the right of the search button is a "Search" button with a magnifying glass icon. The main table has a blue header row with columns: ID, Code, Name, Price, Quantity, Category, and Actions. The body of the table contains three rows of data:

ID	Code	Name	Price	Quantity	Category	Actions
1	P001	Laptop Dell XPS 13	\$1299,99	10	Electronics	<button>Edit</button> <button>Delete</button>
2	P002	iPhone 15 Pro	\$999,99	25	Electronics	<button>Edit</button> <button>Delete</button>
3	P003	Office Chair	\$199,99	50	Furniture	<button>Edit</button> <button>Delete</button>

2. Add new product form

The screenshot shows a web browser window with the URL `localhost:8080/products/new`. The title bar of the browser says "+ Add New Product". The main content area has a large title "+ Add New Product". Below the title are several input fields with validation messages: "Product Code *", "Product Name *", "Price (\$)", "Quantity *", "Category *", and "Description". At the bottom are two buttons: "Save Product" and "Cancel".
